SOLIDARITY SUNDAY: April 3rd is Solidarity Sunday. We are one human family whatever our national, racial, ethnic, economic, and ideological differences. We are our brothers' and sisters' keepers, wherever they may be. Loving our neighbor has global dimensions in a shrinking world. At the core of the virtue of solidarity is the pursuit of justice and peace. Pope Paul VI taught that "if you want peace, work for justice."¹ The Gospel calls us to be peacemakers. Our love for all our sisters and brothers demands that we promote peace in a world surrounded by violence and conflict. Development and Peace's People and Planet First campaign invites you to give from the heart and thanks you warmly for your generosity. Your donation transforms the lives of some of our most vulnerable sisters and brothers across the world. Visit [Share Lent – Development and Peace \(devp.org\)](#) for more information or to donate online. Envelopes are also provided in the foyer.
